Explanatory Note

Direction No. 8 is made by the Committee *for* Health & Social Care ("the Committee") on 18th May, 2020 further to powers conferred on it by the Emergency Powers (Coronavirus) (General Provision) (No. 2) (Bailiwick of Guernsey) Regulations, 2020 as made by the Civil Contingencies Authority under the Civil Contingencies (Bailiwick of Guernsey) Law, 2012.

The Direction amends Direction No. 7, as made by the Committee on 15th May 2020, by clarifying that the disapplication of the prohibition on gatherings, which applies for the purpose of enabling childminding services to be provided by registered childminders and authorised nannies, applies only in respect of the children of essential workers. It also revokes Direction No. 6, as made by the Committee on 6th May 2020, which Direction No. 7 is intended to replace.
